GRADUATE PROGRAMS

IIT STUART SCHOOL OF BUSINESS

PREPARING YOU FOR WHAT’S NEXT IN BUSINESS AND TECHNOLOGY

- Ranked third in the U.S., seventh globally in careers, and 27th globally overall by Financial Times for our M.S. Finance program.
- Stuart's Marketing Analytics and Communication program is the only program of its kind offered by a business school in Chicago.
- Our Environmental Management and Sustainability program is one of only a few such programs offered within a business school in the country and is ranked in the top 25 globally in sustainability by Net Impact.
- Our Public Administration program has a legacy that dates back to the 1940s and is one of the only programs of its kind integrated into a business school.
- Ranked 25th for mathematical finance by Quantnet and 23rd for financial engineering by The Financial Engineer for our Master of Mathematical Finance joint program with IIT Applied Mathematics.
- Listed among Princeton Review's "Best 296 Business Schools."
A BOLD PERSPECTIVE FOR THE NEXT ECONOMY

At IIT Stuart School of Business, we recognize the need to prepare students for a world focused on science, technology, and innovation. We give you more than just a degree. We prepare you to conquer the challenges of the next global economy.

As the only business school in Chicago within a technology-focused university, IIT Stuart is uniquely positioned to educate you to excel in organizations where technology and analytics are key components of competitiveness. You will share the classroom with students from all backgrounds, representing more than 37 different countries.

At IIT Stuart, you will learn to shape your own informed, global worldview through connections with fellow students whose undergraduate degrees are in engineering, computer science, law, business, social science, and the humanities—from universities around the world.
A GO-ANYWHERE GRADUATE DEGREE

IIT Stuart programs allow you to explore business and the public sector from a multifaceted perspective. You will graduate with an advanced skill set, rooted in science, technology, analytics, and quantitative methods—essential for success in the next economy. You will stand out and your degree will be noticed.

LEARNING IN THE CITY THAT WORKS

IIT Stuart puts you in the center of Chicago, internationally renowned as a place to do business. It gives you the opportunity to interact with some of the best executive, managerial, public service, and entrepreneurial talent in the world, as many of our faculty have close ties to prominent Chicago-based organizations and have been—or still are—employed in those fields. In addition, hands-on research and internship opportunities give you an insider’s look at the professional world even before you graduate.

In addition, hands-on research and internship opportunities give you an insider’s look at the professional world even before you graduate.

GET A COMPETITIVE EDGE

Stuart’s approach is based on the framework of strategic competitiveness, which emphasizes the concepts of creativity, entrepreneurship, innovation, sustainability, leadership, and incisive decision making. You will learn how to compete—and create transformative change—in the business or public sector.

A FACULTY OF EXPERIENCED PROFESSIONALS

IIT Stuart’s faculty members offer a gateway to the world. They hail from around the globe and share their expertise in business, public administration, and other professional and scientific areas, including engineering, physics, economics, and mathematics. Many faculty members have close ties to prominent Chicago-based institutions, including the Chicago Board of Trade, the Chicago Mercantile Exchange, U.S. Green Building Council, and the American Marketing Association.
