### Discover Illinois Tech Day Activities Descriptions

<table>
<thead>
<tr>
<th>Activity</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student Services Fair</td>
<td>This is your chance to talk with representatives from different campus partners such as Residence and Greek Life, Campus Life, Career Services, Financial Aid, Pre-Health, and many more!</td>
</tr>
<tr>
<td>Admission and Financial Aid Overview</td>
<td>Learn about the admission and financial aid processes at IIT, as well as scholarship opportunities for students. We will have separate sessions for high school students and those looking to transfer.</td>
</tr>
<tr>
<td>Exploring Academics Sessions</td>
<td>Join IIT faculty and staff members for a brief overview of your academic program of choice. If you are undecided, pick one that sounds the most exciting to you. Details about each session are to the right.</td>
</tr>
<tr>
<td>Counselor Corner</td>
<td>Stop by to chat with an admission counselor for a brief one on one.</td>
</tr>
<tr>
<td>Scarlet Hawk Athletics</td>
<td>Interested in playing NCAA Division III sports at Illinois Tech? Join our Athletic Director, Joe Hakes, for an overview of what it truly means to be a student athlete.</td>
</tr>
<tr>
<td>Campus Tours</td>
<td>Check out the Illinois Tech campus on this 1.25 hour walking tour which will include classroom space, the campus center (MTCC), residence halls, and the Idea Shop™ which is our innovation space where Illinois Tech students use lasercutters, 3D printers, 3D scanners and much more as a part of the IPRO program.</td>
</tr>
<tr>
<td>Career Success at Illinois Tech</td>
<td>Learn how Career Services has helped students prepare for successful careers after Illinois Tech.</td>
</tr>

Armour College of Engineering

Multiple Locations — 10–11:15 a.m.

Armour College of Engineering has a long and proud history of educating engineers who are innovators and leaders. The college’s strong curriculum is enhanced by lecture series, forums, professional site exploration, and team-intensive engineering projects that focus on four themes: water, health, energy, and security. Join us for an overview of engineering, followed by the opportunity to explore each department more thoroughly.

The session will begin with a 15-minute general overview of the College of Engineering in the Hermann Hall Auditorium, breakout sessions will be dismissed following the overview.

Engineering Breakout Sessions

Biomedical Engineering — John T. Rettaliata Engineering Center, Room 258
Chemical Engineering — John T. Rettaliata Engineering Center, Atrium
Civil and Architectural Engineering and Engineering Management — John T. Rettaliata Engineering Center, Room 241
Electrical and Computer Engineering — Siegel Hall, Room 118
Mechanical, Materials, and Aerospace Engineering — John T. Rettaliata Engineering Center, Room 141

Architecture

S. R. Crown Hall, South Entrance — 10–11:15 a.m.

With a history of design excellence and technical expertise, an unmatched professional studio curriculum, and inspiring surroundings, at the College of Architecture you’ll discover NOWNESS…an innovative approach that focuses on a future of global urbanism.

Humanities, Social Sciences, and Psychology

Wishnick Hall, Room 115 — 11:30 a.m.–12:30 p.m.

Majors covered:
- Applied Analytics
- Behavioral Health and Wellness
- Communication
- Consumer Research Analytics, and Communication
- Digital Humanities
- Humanities
- Political Science
- Psychology
- Social and Economic Development Policy
- Sociology

Through Lewis College of Human Sciences, you will be challenged to think deeply about our world—striving to solve complex human problems with the aid of the ever-advancing sophistication of technology. Our programs emphasize the free spirit and broad perspective traditionally reserved for the liberal arts. You will gain practical experience alongside faculty who are dedicated to bridging the gap between theory and application, ideas and action.

Lab Sciences and Mathematics

Multiple Locations — 11:30 a.m.–12:30 p.m.

Science Breakout Sessions

Applied Mathematics — Life Sciences, Room 116
Chemistry — Wishnick Hall, Room 117
Physics — Life Sciences, Room 129
Biology — Life Sciences, Room 240

Rigor and Relevance. These two words describe the educational experience you will receive at the College of Science. Our programs are firmly grounded in science and technology, and understood within the context of politics, economics, history, and modern culture.

Business Administration and Entrepreneurship

Perlstein Hall, Room 108 — 11:30 a.m.–12:30 p.m.

Stuart is the Business school of choice for those who want more than just a “typical” business degree. Our distinctive, innovative and hands-on program is designed for business majors who want to “speak the language” of architects, engineers, scientists, or other professional colleagues.

Computer Science and Information Technology and Management

Perlstein Hall, Room 131 — 11:30 a.m.–12:30 p.m.

Majors covered:
- Information Technology and Management
- Computer Science and Computer Information Systems

One of the most common questions we get from students interested in computer technology concerns the difference between Computer Science and Information Technology. Explore careers in computer programming, data management, IT management, networking and communications, software development, system administration, systems security, web design, and application development.

Industrial Technology and Management

Perlstein Hall, Room 109 — 11:30 a.m.–12:30 p.m.

Take your technical training to the next level; learn more about industrial operations and how to manage resources, solve complex problems, and utilize technology. This transfer program is for individuals who have acquired practical occupational skills through an applied science program and/or direct experience, and are ready to expand their capabilities and move into managerial roles in industry.

Too Much to See, Too Little Time?

Check out our virtual tour online at admission.iit.edu/#virtualtour to see places on campus you may have missed like the Idea Shop, Galvin Library, Keating Sports Center, Residence Halls, Robotics Lab, and more!
