Blackboard New Students Organization

The screenshot shows a web browser window displaying the Blackboard Home page for new students. The browser's address bar shows "Home". The page has a navigation sidebar on the left and a main content area on the right. The sidebar includes a dropdown menu for "01NewStudents.201810 (Fall 2017 New Students - 201810)" with a sub-menu containing "Home", "Placement Information", "Writing Essay", "Math Assessment", and "Chemistry Assessment". Below this are links for "Contact Us" and "Blackboard Help". The main content area features the Illinois Institute of Technology logo at the top, followed by the heading "PLACEMENT INFORMATION". Below this is a welcome message and a list of placement exams: "Writing Placement Essay", "Math Placement Assessment", and "Chemistry Placement Assessment for Chemical Engineering". Each exam description includes details about requirements and how to waive the exam. At the bottom, there is a note about completing the assessment and a link to additional information about placement testing.

PLACEMENT INFORMATION

Welcome to the Illinois Tech!

If you are here, you received an email from Illinois Tech informing you of the need to complete one or more of the following placement exams:

Writing Placement Essay: All new first-year and transfer students who do not yet have credit for [COM 101](#) are required to demonstrate writing proficiency in one of three ways. Students may either pass the writing proficiency exam prior to enrollment based on satisfactory SAT or ACT writing sub-scores, or by submitting a satisfactory essay when requested, or by passing [COM 101](#) during their first year of attendance.

Math Placement Assessment: All new first-year and transfer students who do not yet have credit for [MATH 151](#) are required to take the mathematics placement test online. Subsequent Advanced Placement credit or transfer credit for [MATH 151](#) will override the mathematics placement result.

Chemistry Placement Assessment for Chemical Engineering: Students in chemical engineering who have neither Advanced Placement credit nor transfer credit for [CHEM 124](#) have the option to take the [CHEM 124](#) proficiency exam to waive the class, but no credit will be awarded.

To complete a placement assessment, please click on the appropriate exam link on the left side toolbar under "Placement Information."

Additional information about Placement testing can be found here: <http://bulletin.iit.edu/undergraduate/undergraduate-admission/>

Please take the exams before meeting with your advisor.

Writing Placement Essay

A screenshot of a Blackboard course page. The browser tab is labeled 'Writing Essay'. The page title is 'Writing Essay'. The left navigation menu includes: '01NewStudents.201810 (Fall 2017 New Students - 201810)', 'Home', 'Placement Information', 'Writing Essay', 'Math Assessment', 'Chemistry Assessment', 'Contact Us', and 'Blackboard Help'. The main content area features a document icon and a link: 'Click here for the IIT Writing Placement Essay'. Below the link, there is a paragraph: 'If you receive an error when you click on this link, you are not required to submit a writing placement essay.' and another paragraph: 'If you have any questions, please contact Undergraduate Academic Affairs (UGAA) at ugaa@iit.edu or call: 312.567.3300.'

Math Placement Assessment

A screenshot of a Blackboard course page. The browser tab is labeled 'Math Assessment'. The page title is 'Math Assessment'. The left navigation menu is expanded to show '01NewStudents.201810 (Fall 2017 New Students - 201810)' with a home icon. Under this menu, there are links for 'Home', 'Placement Information', 'Writing Essay', 'Math Assessment', 'Chemistry Assessment', 'Contact Us', and 'Blackboard Help'. The main content area has a heading 'Math Assessment' and a link with a globe icon: 'Click here for the IIT Math Placement Assessment'. Below the link, there is a note: 'If you receive an error when you click on this link, you are not required to submit a writing placement essay. If you have any questions, please contact Undergraduate Academic Affairs (UGAA) at ugaa@iit.edu or call: 312.567.3300.'

Chemistry Assessment

A screenshot of a Blackboard course page titled 'Chemistry Assessment'. The page has a left-hand navigation menu and a main content area. The navigation menu includes a home icon, a course title '01NewStudents.201810 (Fall 2017 New Students - 201810)', and several menu items: Home, Placement Information, Writing Essay, Math Assessment, Chemistry Assessment (highlighted), Contact Us, and Blackboard Help. The main content area has a title 'Chemistry Assessment' and contains the following text:

Students in chemical engineering who have neither Advanced Placement credit nor transfer credit for **CHEM 124** have the option to take the **CHEM 124** proficiency exam to waive the class, but no credit will be awarded.

Chemical engineering placement is not delivered via Blackboard.

If you are interested in this assessment, please contact Undergraduate Academic Affairs (UGAA) at ugaa@iit.edu or call: 312.567.3300.

ILLINOIS INSTITUTE OF TECHNOLOGY

WRITING REQUIREMENTS

IIT students participate in four areas to develop strong communication skills for success in college and the workplace:

- Basic Writing Proficiency requirement
- Introduction to the Profession courses (ITPs)
- Communication-intensive courses (C-courses)
- Interprofessional Project courses (IPROs)

Here is a quick overview of each.

Basic Writing Proficiency Requirements

All incoming degree-seeking students (not exchange or visiting) must meet a Basic Writing Proficiency Requirement. The requirement can be satisfied in any of the following ways:

- If you have transfer credit for a University Writing Course (COM101 at IIT).
- If you have a 4 or better on the AP English exam.
- If we have judged your ACT and/or SAT English/Writing scores as sufficient: ACT Writing 8 or better, ACT Combined English/Writing 29 or better, SAT Writing 600 or better, SAT Essay 9 or better.
- If one of the essays you submitted for admissions is sufficient in length, we use that to evaluate your writing.
- If none of the above apply to you nor are sufficient for placement, we will request you to submit a new essay for us to evaluate.
- If we deem that your new essay does not demonstrate Basic Writing Proficiency as defined by IIT, then you will be required to enroll in COM 101 or COM 111 your first semester at IIT.

When You Are Ready

Click "Step 1: TOPICS" to get information on the essay.

Click "Step 2: SUBMISSION" to send your finished essay.

Writing Essay page

(Course is unavailable to students) > Step 1: TOPICS

Step 1: TOPICS

About the Essay

Important: Write only one essay about one of the following topics

- Is there an influential person in your life? If so, describe this person and give two or three reasons for his or her importance to you--that is, explain two or three ways in which this person has had an impact on you.
- Have you had a significant personal experience? If so, describe this experience and give two or three reasons for its significance in your life--that is, explain two or three ways in which this experience has had an impact on you.
- What do you regard as the most important modern invention? Describe this invention and give two or three reasons why it is important.

Your essay must be between 475 (minimum) and 525 (maximum) words in length.

If you do not have access to a Microsoft product, please use a compatible text file in electronic format.

Whichever option you choose, your essay will be evaluated by CAC staff, and you will either pass and receive credit for satisfying the Basic Writing Proficiency requirement, or you will be placed into COM 101 ("Writing in the University"), which you would need to take during your first year of coursework at IIT. You'll be informed about the results of the placement exam by the Admissions Office.

Placement Essay

You can submit your file here, or you can click "Step 2: SUBMISSION" when you are ready.

MATH REQUIREMENTS

Welcome to Illinois Tech's Math Placement.

What is Math Placement Assessment?

It is not an exam and you do not receive any college credit. This is for mathematics course placement purpose only.

Do I need to take the Math Placement Assessment?

If you think you should not be required to take the exam because of transfer credits or Advance Placement (AP), International Baccalaureate (IB), or GCE A-Levels scores, contact Undergraduate Academic Affairs (UGAA) at email ugaa@iit.edu

ITM STUDENTS: Students in ITM are encouraged to take the math placement, but are not required.

PROCESS

When you are ready to start, click "MATH PLACEMENT" on the left side navigation.

You will see some general information about the placement process as well as links to:

1. a practice test and
2. the three sections of the actual math placement assessment

Your math placement will be based on the combined total score of the three assessments.

RESULTS

Your exam will be reviewed and your advisor will be informed of your math placement.

STEP 1: ASSESSMENTS

 **Information**

Illinois Tech uses Maple T.A. to deliver our math placement. When you click the links, you will go to the Maple site within Blackboard for each assessment.

TIPS

- Make sure your internet connection is reliable before you start each placement assesment.
- You can take the **Math Placement Practice Exam** as many times as possible.
- The **Math Placement Assessment** consists of three parts. Each part may only be taken **once**.

Your math placement will be based on the total of the three assessments.

After you have completed all three (3) parts of the math placement, you will need to navigateto the left side navigation and click on "STEP 2: Validate" to confirm that you are done.

 **Practice Math Placement Exam**

Unlimited attempts allowed.

Clicking this link will open Maple in Blackboard and provide access to the practice materials.

 **Math Placement Assessment Section 1**

(Number of questions: 18 and Time limit: 25 minutes)

Only **ONE** attempt allowed.

Clicking this link will open Maple in Blackboard and will launch the assessment.

 **Math Placement Assessment Section 2**

(Number of questions: 20 and Time limit: 60 minutes)

Only **ONE** attempt allowed.

Clicking this link will open Maple in Blackboard and will launch the assessment.

 **Math Placement Assessment Section 3**

(Number of questions: 15 and Time limit: 25 minutes)

Only **ONE** attempt allowed.

Math Placement Assessment Validation

STEP 2: VALIDATE ▾

Build Content ▾ Assessments ▾ Tools ▾ Partner Content ▾ ↑↓

 **Confirmation**
Enabled: Adaptive Release
In order to confirm and submit your scores, you will need to verify that you have completed all **three** parts of the math placement. You will not see the verification until you have completed all three parts.

 **Confirmation**
Enabled: Adaptive Release
It appears that you have successfully completed all three (3) parts of the math placement, and are ready to submit your total score.
