FINANCIAL DOCUMENTATION REQUIREMENT FOR J-1 UNDERGRADUATE STUDENTS

United States immigration regulations require all international students to prove that they have adequate funding to support all expenses for at least one year of study. Your financial documents must reflect the **estimated** expenses outlined below:

ESTIMATED AND ADDITIONAL EXPENSES — ONE ACADEMIC YEAR

Tuition	\$47,480.00 *	* This amount does not include travel and personal expenses, books and supplies, and emergency costs. Note that this figure is an estimated cost for one academic year. Students enrolled for only one semester will be responsible for approximately half of the total cost listed here.
Fees	\$1,800.00 *	
Room and Board	\$13,582.00 *	
Illinois Tech Health Insurance (Mandatory for F-1, J-1 students)	\$1,483.00 *	
Total	\$64,345.00 *	

FINANCIAL DOCUMENTATION GUIDELINES

- If you have been awarded a merit-based scholarship from Illinois Tech, you can deduct your scholarship amount from the total amount you are asked to demonstrate in a bank statement or letter.
- Acceptable sources of funding include checking and savings accounts or fixed deposits with a current balance. Unacceptable sources include stocks, bonds, salary verification letters, and real estate or property holdings. These are not accepted because the funds are not readily available to you or the value can change.
- You do not need to submit original financial documents to Illinois Tech in order to receive your immigration documents. However, you should retain the original documents as you may be required to provide them at your visa appointment or at the port of entry when you enter the United States.
- If any dependents (such as your spouse or child) will be accompanying you to the United States, you should submit a copy of their passport biographical page and proof of funding (\$4,500 per year for your spouse; \$2,300 per year for each child) in order to receive documents for them to apply for an F-2 visa.

FINANCIAL AFFIDAVIT OF SUPPORT FORM GUIDELINES

- Must be signed by student and all sponsors who will be providing financial support
- If you will be providing a bank statement or bank letter from more than one sponsor, each sponsor will need to complete Part II of the Financial Affidavit of Support form
